COLOUR RANGE

Pre-finished Acrovyn® Partitions are made to measure and can be installed quickly and securely to transform open wards and create privacy for patients. The partitions have an easy to clean, impact protecting surface and are available in all Acrovyn colours. Partitions can be supplied with flush fitted vision panels and the sturdy aluminium frames are powder coated or anodised aluminium for an easy clean finish.

- 2mm Acrovyn impact protecting surface finish
- 36 Acrovyn colours
- Inherent anti-bacterial properties in Acrovyn sheet
- Powder coated or anodised aluminium frames
- Optional vision panels
- Bespoke sizes
