

C/S ZONE 3™ CLEAN-OFF CARPET

This extremely versatile matting is an ideal solution for protecting floorcoverings throughout the building where soiling or unusually high wear is inevitable. It can be used on its own, or in combination with a matwell product to extend the dry/clean-off zone.

Radisson Hotel, Liverpool

Features

- Extremely efficient at removing and holding moisture and dirt
- Excellent wash and light fastness characteristics
- Built-in anti-static resistance
- Open construction aids easy cleaning
- Ideal for carrying corporate logos (see p25)
- Fire rated vinyl (VFR) backing
- Available in a range of colours (see p23)
