

# C/S PEDIMAT® ULTRA

Pedimat® Ultra is elegant, slimline and economical, whilst also providing an increased absorption area and strength when compared with standard Pedimat. With its 11mm slim depth profile, as well as fitting in a standard matwell, it can also easily fit alongside floor tiles and carpets to produce a flush floor finish.

It is suitable for medium to high use areas such as busy offices, surgeries and schools.

CrownGate Shopping Centre, Worcester

## Features

- Recess or surface mounted options
- Rolls up for easy matwell cleaning
- 275kgs/wheel rolling load capability
- Closed spline option with deep channels allows in situ cleaning along with very high dirt containment
- Field changeable inserts without the use of specialist tools for low lifecycle costs
- C/S Pedijet logo system option for interior grade carpet tread applications (see p25)
- Wide range of tread and colour options (see p22-23)
